FORM B NEW DRIVERS' QUESTIONNAIRE

- 1.If you are unable to take your start order in a time trial what is the penalty
2. How old can your helmet be and what proves its age?
3. What is the procedure for new drivers that obtain a Sprintcar Licence?
4. Can I race with a neck brace instead of a head and neck restraint?
5. There is a minimum head height clearance for Sprintcars. How is it measured?
6. You lose a side nerf bar during a race. Can you continue racing?
7. You are racing at a multi day/night meeting. Can you change chassis after each day/nights racing has been completed and retain your qualifying points?
8. Can you change a tyre on a yellow light?
9. If you have a flat left rear tyre where do you restart after a stoppage?
10. How many push starts are you allowed if you are not deemed to be the primary cause of the stoppage?
11. You stop on the track to avoid an accident. Where do you restart the race?
12. You are shown an orange flag with a black disc. What should you do?
13. What is the time limit an official has to issue an infringement notice for either a driving offence or a misconduct charge?
14. You have been lapped by the race leader and followed the leader for two laps. There is a stoppage. Where do you restart?
15. You are leading the race. A part of your car comes off but does not stop you from racing. The yellow light comes on to clear the track of your dislodged part. Where do you restart the race?
